ABOUT ME

My name is Zayn Edeen Gasmi, I am a 29-year-old dedicated and hardworking professional with a strong knack for problem-solving. I have nearly 9 years of experience, I excel at analyzing statistics, which enables me to run highly effective ad campaigns on platforms such as Meta and Amazon. Additionally, my creative skills in graphic design and 2D motion design allow me to craft visually compelling and smooth animations. I am passionate about delivering results and continuously strive to exceed expectations in every project.
